Showground Directions

What3words///cucumber.swims.suspect

We have been advised these routes are used by Artic Lorries & HGVs to access Higher Humber Farm.

There are several ways to access the new show field. We would not advise tapping it into the sat nav as this may take you up narrow lanes not suitable for trailer/lorries.

From EXETER on the A380:

On the A380 take the Ashcombe/Chudleigh turning at Ashcombe Cross. Once you get to the roundabout take the 2nd exit for B3192 heading towards Teignmouth/Shaldon (Colley Lane). Continue on B3192 until you see the sign for Teignmouth Golf Course - TURN RIGHT HERE. Follow the road down until you reach the cross roads (Rowdens Cross). Turn right and follow the road down to Humber Barn and Red Rock Brewery. Once you have passed the entrance to Humber Barn/Red Rock Brewery you will see the Lindridge Gates right ahead of you & grass triangle where you can turn left down Humber Lane or continue right towards Ideford. TURN LEFT DOWN HUMBER LANE and Humber Park field is the first field you come to on your right. You have arrived!

From Newton Abbot A380:

On the A380 Turn off at the Ware Barton Roundabout sign posted Teignmouth, take the third exit onto A381 Teignmouth Road, past the Shaldon bridge, past the Tesco Petrol station. Head straight onto A379 Bishopsteington Road, Turn left at the traffic lights B3192 Exeter Road, continue on B3192 until you see the sign for Teignmouth Golf Course - TURN LEFT HERE. Follow the road down until you reach the cross roads (Rowdens Cross). Turn right and follow the road down to Humber Barn and Red Rock Brewery. Once you have passed the entrance to Humber Barn/Red Rock Brewery you will see the Lindridge Gates right ahead of you & grass triangle where you can turn left down Humber Lane or continue right towards Ideford. TURN LEFT DOWN HUMBER LANE and Humber Park field is the first field you come to on your right. You have arrived!

General Rules for Riders and Spectators

DEFRA may require competitors to produce their horse passport at any time.

Cockington Riding Club insists that hard hats which conform to a minimum BSI standard MUST be worn, correctly fastened, by any person who is mounted whilst on the showground. Any handler under 16 should wear a current correctly standard hat in the ring.

All competitors are recommended to have 3rd party insurance.

All cars parked at owners' risk. No cars on main show field past the warm up area except committee members, blue badge holders and judges' vehicles.

Dogs must be kept on leads at all times & dog poo to be cleared up by the owner and taken home.

No mucking out of lorries or trailers allowed on the show field please take it home with you.

No trotting, cantering or galloping outside rings when on the show field. Riders must leave the ring at a walk at all times.

The committee reserve the right to refuse any entry to protect the welfare of any horse/pony.

The committee reserve the right to limit entries to control class sizes. Classes may be cancelled or amalgamated if insufficient entries.

Judges names are not printed in the schedule we will aim to post judge's names to Facebook NO earlier than the week before the event (with the exception of qualifiers). However, if you are worried about being able to show under a particular judge you are welcome to contact a committee member the week before the show.

No change of saddlery allowed between phases in the Working Hunter ring. Horses/ponies may wear boots for the jumping phase.

All competitors, horses and ponies must be correctly dressed for their classes. Practising in any ring will lead to disqualification from the days events unless it's a designated warming up area.

No artificial aids for example side/draw reins. Martingales / Breastplates permitted for jumping only.

Trimming of the horses or ponies sensory hairs around the mouth, nose, eyes and ears is NOT permitted.

Horse to rider ratio. We take horse welfare seriously, size and proportionality is an important consideration to ensure the horse/pony is suitably mounted and achieve a harmonious way of going. Current research suggests horses/ponies should carry 10-20% of its healthy body weight, this includes the weight of clothing, boots, hat and tack.

The health, fitness, workload, age of the horse/pony and rider fitness, balance and ability will all have an impact, lowering the % of total weight to be carried. The focus of this guidance is equine welfare rather than rider weight.

We encourage all our riders to dismount as soon as they have finished their classes. If any spectators have any concerns over any aspect of horse welfare we encourage them to come and speak to a committee member privately.

We support our judges decision with regards to all aspects of horse/pony welfare.

Any misuse/abuse of whips/spurs at any event will result in expulsion from the venue. No whips or spurs in gymkhana rings or handy pony classes.

All Suitability, Lead Rein and First Ridden classes must be ridden in a snaffle bridle with cavesson noseband only. Lead reins must be attached **ONLY** to the noseband.

The committee strongly advises that competitors taking part in Jump Cross wear a suitable back protector.

Members must have paid their subscription before entering any class on day of show for points to count towards cups, or to be eligible for members' awards.

The judge's decision is always **final**.

Any complaints must be registered at the entries caravan and accompanied by a deposit of £20.00 refundable only if the complaint is upheld after consideration by a minimum of 3 committee members.

If competitors require rosettes/dressage sheets to be forwarded to them after the event, it is their responsibility to leave a large SAE or £3 at the caravan before leaving the show field.

Maximum of 6 classes per show can be entered per horse (not including Gymkhana or Thelwell) if this rule is not adhered to, you may be asked to leave the show ground.

Well behaved Stallions / Colts are welcome in bitted bridles but may be asked to leave if they are causing disruption to other competitors.

Entries will not be taken before 8.30am on Show Days.

Ridden horses must be 4 years of age or over on day of show.

Minimum age of 4 years old for a rider (age on the day of the show.)
